

The logo features two concentric circular rings. The outer ring is a solid teal color. The inner ring is a dark grey color, but it has three segments of the teal color, creating a sense of motion or a cycle. In the center of these rings, the word "focus" is written in a bold, sans-serif font. The letters "fo" and "us" are teal, while the letters "cc" are dark grey. Below "focus", the word "training" is written in a smaller, dark grey, sans-serif font.
